DATE: APRIL 19, 2007.

P.C.:-

The learned AGP appearing for respondents submits that though the petitioners have already been heard by the Chief Officer of the Bombay Housing and Area Development Board and the order dated 22.3.2007 has been passed, since the learned counsel for the petitioners stated that they have not been heard, the respondents, in order to obviate the possibility of the petitioners taking up any technical

objection at a subsequent stage, would serve fresh show cause notices upon all the parties including the petitioners and thereupon would pass orders in accordance with law, within a period of six weeks from today. We make it clear that the respondents should act as per their statement and not to give effect to the order dated 22.3.2007, which, in any case, according to them, stands withdrawn. It is commonly conceded before us that the orders, if any, adverse to the interest of the petitioners and other parties, same would not be given effect to for a period of two weeks from the date of communication on the petitioners.

Both the petitions stand disposed accordingly, as nothing survives for consideration of the court in these petitions.

CHIEF JUSTICE

S.C.DHARMADHIKARI,J.
